

**Department of Civil Engineering, BUET**

**Attention: Level-4, Term-II Students**

Distribution of **Optional Courses** of all Level-4, Term-II students will be held on **11-11-2021 (Thursday)** at **3:00 pm** on Zoom Meeting (Details provided below). All students of Level-4, Term-II must be present in the meeting. If any student cannot attend the program due to unavoidable circumstances, they may authorize another student from Level-4, Term-II, with a CGPA higher than the absent student, to select courses on their behalf. An authorization letter must be provided to authorize that student. The authorization letter may need to be sent to us *via* email afterwards.

Students who earned **108 credits** or more in the previous term (January, 2021) are also requested to be present on time for their major-minor selection along with the optional course selection. They are also requested to have a copy/image of Grade sheet or result copy from BIIS ready with them as a proof of earned credits.

**Time: Thursday, 11 November 2021, 03:00 PM**
